Subject: IDEAL NETWORKS Approval as of November 28th, 2019

Dear Mr Boy,

Telegärtner is pleased to announce the approval of the **LanTek IV-3000** series for field testing of our copper cabling systems effective immediately. This approval is based upon evaluation of the **LanTek IV-3000** versus network analyzer of the Telegärtner laboratory.

LanTek IV-3000 is approved for certification testing with all of our Category 6A/Class EA, Category 6/Class E and Category 5e/Class D channel and permanent link systems and correlating system warranty programs.

The following configuration is required:

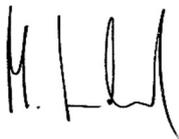

LanTek IV device software version 1.11 or higher
IDEAL AnyWare Cloud

Channel testing for Category 6A/Class EA, Category 6/Class E and Category 5e/Class D	R163052 or R163053 channel adapters
Permanent Link testing for Category 6A/Class EA, Category 6/Class E and Category 5e/Class D	R163050 or R163051 permanent link adapters

We will update our website to include this statement to our list of certified measuring devices for free download to our authorized installers.

Looking forward to our continued partnership!

Sincerely,

i.V. Marcel Leonhard
