

Steinenbronn, 12/12/2023

Alf Sutherland,
Technical Sales manager, Europe,
AEM International (US) Ltd.
8930 S Beck Avenue #101
Teme, Arizona, 85284

Dear Alf,

This letter is to confirm that Telegärtner Karl Gärtner GmbH has approved the TestPro CV100 Multifunction Cable Tester to be used in testing:

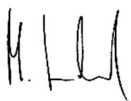

1. Copper connectivity solutions for both Channel and Permanent Link configurations for CAT5, CAT6, CAT6A, Cat8 performance according to ANSI/TIA-1152 or Class D, Class E, Class E_A, Class I according to IEC 61935-1.
2. Fiber solutions for Tier-1 LSPM/Loss Length and/or Tier1+2 LSPM/Loss Length+OTDR certification, according to ISO/IEC 14763-3, EN 61280-4-1, EN 61280-4-2

with the TestPro firmware version 4.2.308 or later.

Telegärtner Karl Gärtner GmbH also accepts the test results provided by this tester for all Telegärtner Karl Gärtner GmbH's DataVoice Plus25 warranty programs.

Sincerely,
Marcel

ppa. Marcel Leonhard
